

NEWSFLASH – A MUST READ

As you know, we've been working closely with another local Practice, Cross Plain Health Centre, over recent months. We are now in the process of formalising the arrangements so that we work together seamlessly.

From 1st October, our teams will be working together to provide you with accessible and effective healthcare.

You will continue to receive care from our surgery in Salisbury. However, if you would like to be seen in Durrington or Larkhill, please do not hesitate. The choice is yours! We just want you to have options!

Should you have any queries regarding this service, please speak to a member of our team or specifically, our Patient Engagement Officer, Amanda-Jane.
